2017

INTERN, JAM CITY, COLOMBIA

Jam City Colombia is Mobile Gaming Company in Bogota, Colombia with popular games like Word War Doh and Vampire Season available for iOS. I spent 6 exciting months learning all I could from them and helping produce assets for their upcoming projects and games. I did asset modeling and texturing with 3Ds Max & Photoshop. I also prepared assets for Unity.

2014 - PRESENT

CREATIVE DIRECTOR/SET DESIGN ARTIST, DAYSTAR STUDIO RPRODUCTIONS

Daystar is a small theater company I helped start in Orlando, Florida. We've produced some amazing musicals like Spring Awakening as well as original shows. Orlando is bursting with talent and we love working with all the various performers here. Aside from producing, I work on as a graphic designer and a background and set design artist for our shows.
